Providing NHS services

AN INTRODUCTION

What is Taurus Healthcare?

**The GP
Federation for
the county of
Herefordshire**

**Owned by and
run on behalf of
all
Herefordshire's
GP Practices**

**Caring for
around 200,000
patients across
five Primary Care
Networks**

**Delivering
multiple clinical
services
including Out of
Hours care**

How does Taurus Healthcare help Herefordshire General Practice?

1

By providing support services, such as **recruitment, business information, PCN and management support**

So that they can focus on caring for their patients

2

By providing **clinical services** on behalf of local practices

Especially when surgeries are closed or when it makes sense to deliver a single service across the county

3

By representing **the collective view** of Herefordshire General Practice

So that care is shaped around our local population's needs

Helping practices to focus on their patients

Workforce Development and Training, including Apprenticeships and associated reporting requirements

Ad-hoc GP provision to support gaps

Business Intelligence and Communications, GP Teamnet, plus Population Health Management

Practice Management activities

Terms and Conditions of Employment, Job Descriptions

Policy Development, Information Governance and Estates Support

Direct employment, eg of PCN Managers and Additional Roles recruitment activities

Direct Practice Support, including running a practice if needed

HR Services

Joined up 24/7 patient care

Providing a unified voice for Herefordshire General Practice

GP Leadership team, comprising PCN Clinical Directors, Taurus Healthcare Executive team, the Local Medical Committee and Clinical Commissioning Team

Here to:

- ⇒ **Support** General Practice
- ⇒ Provide **Coordinated Leadership**
- ⇒ Bring the **voice of General Practice at Place and ICS level**
- ⇒ **Support** PCN development and delivery
- ⇒ **Oversee** delivery of clinical services
- ⇒ Develop **local solutions to local problems**
- ⇒ Provide a **point of access** through which **partners can link to Herefordshire General Practice**

Weekly meetings, including dedicated time for system partners.
All decisions and actions are captured and cascaded to relevant teams.

Ready for the future

Prepared for future challenges and changes

Ready to meet the expectations and drive of the NHS and manage patient demands

Expand our workforce pool via the GP Pool and wider workforce team to meet rising demand

Maximise opportunities presented by Integrated Care Systems to ensure:

- ⇒ Change is **clinically led**
- ⇒ Change **delivers maximum patient benefit**
- ⇒ We **support our workforce** through any changes
- ⇒ **Prevention** is at its core

Continue to **support the Primary Care Networks** and recruitment to **Additional Roles**

Continue to **expand our offer to support and represent Herefordshire General Practice** and provide **clinical services that deliver 24/7 General Practice**
